Our Mission

“Preparing Children Now And For Eternity” means that we value the mind and soul of every child that comes into our school. That starts at preschool. Jesus said, “Let the little children come to me and do not hinder them.” We believe that Jesus meant what he said, so we exist to give children a quality education and Christian training.

Our Director

Mrs. Judy Petzel graduated from Dr. Martin Luther College with a B.S. Degree in Education. She taught Grades 1-2 for seven years and now has been teaching the pre-school program at St. Paul's since 1991. She is also one of the Kindergarten teachers at St. Paul's. Judy would love to talk to you about our Pre-K program and show you around our school and pre-school classroom.
