Our Mission

“St. Paul’s Lutheran School exists to assist in training children in Christian lives on earth and for eternity.” That sentence sums up what we do at St. Paul’s Lutheran School. We believe that for “Now,” kids need a high quality, personalized education that helps them succeed in the real world. St. Paul’s offers that with highly trained and experienced staff who love kids. But we also believe that beyond this world, those same kids need to know about Jesus for “Eternity.”
